Business cards

Ordering and re-ordering

Business cards can be ordered from the Media Studio. Once you have approved a proof we will print and deliver them directly to you.

media studio

at the heart of the Cambridge Biomedical Campus

1. What do they look like?

We use the latest digital printing technology to print in full colour onto high-quality 300gsm white cards. Samples are available in the department, or call us and we'll send you one.

2. How many must I order?

There is no minimum order but most people need at least 250.

3. How much do they cost?

Single-sided

17p per card or
£25.00 for 250

Double-sided

23p per card or
£35.00 for 250

For external customers, please add VAT.

4. Ordering business cards

We can print your business cards in the Addenbrooke's or Clinical School designs – all you have to do is complete the attached order form. For other designs, either from your artwork or designed from scratch, call our graphic design section on extension 2418 (external number 01223 216418), or email enquiries@media-studio.co.uk.

These will take a little longer than the standard designs. We will send you a pdf file for you to check carefully for accuracy before we print your cards.

5. Re-ordering

To order more cards from an existing design, just email your name, department, cost code and the number of cards you need to:

enquiries@media-studio.co.uk.

Let us know of any amendments, such as a new telephone number. We'll acknowledge your email, send you a pdf of any changes and get the cards delivered to you (there may be a delivery charge for external orders).
