* StarLeaf is free to download and use by all of the trust's employees.

¹ Any attendee can start the meeting

² Disabled in StarLeaf for security reasons.

³ Phone Calls are paid for as Add-Ons.

⁴ MS Outlook 2016 or later.

⁵ You can request remote control from the host or the participant who is sharing their screen.

⁶ In Zoom you need to wait for the organiser's permission to join the meeting.

⁷ HD quality depends on the Network speed connection.

⁸ In StarLeaf, In Meeting Chat is only available between members of the same organization.
